Heronfield Academy is proud to be able to offer its middle school students an outstanding program with an inspired faculty at a cost that is reasonable. We strive to admit a student body to Heronfield Academy that is as diverse as possible. We are selective in our admission process in terms of academic ability but also in terms of character, as we believe a child’s moral and ethical fabric will play a key role in that student’s identity as a learner. Heronfield Academy is committed to its generous need-based scholarship program to qualified candidates.

Financial aid is determined through School & Student Services (SSS), which is a division of the National Association of Independent Schools (NAIS.) SSS is a service used by most independent schools to best determine financial need. Please follow our financial aid checklist in order to be considered for financial aid, including submitting your forms. The deadline for our financial aid application for the academic year 2020-2021 is January 30, 2020. We will consider each application until the financial aid budget is used up.

applying for the 2020-2021 Academic Year

The PFS and all supporting documents must be completed and received by SSS by January 30, 2020. Late receipt of documents will jeopardize consideration for financial aid and the Academy will not review applications for financial aid unless all the information is in hand. Applications past the January deadline will be reviewed in order of submission, but there is no guarantee that aid will still be available. We will consider each application until the financial aid budget is used up.

Please follow the guidelines below:

• Complete the Parents’ Financial Statement (PFS) of School & Student Services (SSS) by deadline of 1/30/20. The financial code for Heronfield Academy is 4572. The PFS can be completed and submitted on-line through their website, www.sss.nais.org. Please submit your forms to SSS electronically.

• We receive the information we need much faster than we do when people send in their forms by mail. The website is open for applications with extensive online help but if additional assistance is needed, here is the contact information:
  o Call SSS Customer Service Phone at 1-800-344-8328, hours Monday – Friday, 9:00 a.m. to 8:00 p.m. EST or submit a question through website at sssbynais.org/parents/help.
  o Only one form or web submission is needed per family, even when applying for more than one child. Make a copy of the PFS for your records. Please do not send a copy of the PFS to Heronfield Academy.
  o Allow 2-3 weeks for SSS to process your information and forward the results to the Academy.

• Submit a copy of your completed 2019 IRS Form 1040, attached schedules, and W-2’s to SSS by January 30, 2020 or if past this date, as soon as possible. Please include each page of your return.

• Optional: On the Parent Financial Statement for SSS, submit a statement that explains any special circumstances that may affect your application for financial aid in addition to the supporting documents listed above. This statement is also due by January 30, 2020.

If you have any questions about the forms or the process, please email Leslie Luneau (luneau@heronfield.org) or call (603) 772-9093 and ask for the Business Office.
